**GRAPHITE KX04V**

## HIGH SPECIFICATION HAND PROTECTION

- High Profits - Competitive**  
Pricing provides distributors extremely high profit margins for both retail & B2B sectors while maintaining a competitive edge, being circa 20% cheaper than comparative products.
- Innovative - High Specification**  
Constructed using only the most innovative engineered materials and technologies available combined with creative unique custom styling. It's simply UNKOMPROMISINGLY KOOL
- Marketing - Support**  
Comprehensive global coverage in leading industry trade magazines and exhibitions ensures high profile exposure, brand recognition and lead generation to support the distribution network.
- Exclusive Territory - No Competition**  
Tired of competing for the same low margin, oversubscribed glove business? Join the KARBONHEX revolution! Exclusive areas available for pro-active forward thinking distributors.

# EXPANDED RANGE 2020

## 40 NEW STYLES

**KARBONHEX** are very excited and proud to announce the launch of their new updated and expanded portfolio of Unkompromisingly Kool, High Specification Hand Protection. An advanced, innovative range of ergonomic multi-functional hand protection, originally conceptualized, designed and styled specifically for professionals working in the most challenging situations, conditions and hazardous environments.

Extended, diverse product offering, ranging from super lightweight high dexterity pinpoint precision handling gloves to super rugged gloves that feature all round anti impact, extreme durability and cut resistance options are now available from stock. "KARBONHEX raises the bar for working professional hand protection, advancing grip, fit, functionality, comfort and of course protection - the essential attributes of the Karbonhex DNA," said Jason Sparrow, commercial director. "High specification, high performance, quality hand protection that combines award winning innovative design with striking good looks, style and functionality that's UNKOMPROMISINGLY KOOL..."
